# CATALOG REQUEST FORM

Check on the box you would like to receive more information on (check all that apply). After you have selected all the items, fax this document to us at (787) 283-1559.

## 1. Steam Boilers/Generators:

- Johnston Steam Boilers
- Columbia Steam Generators
- Reimers Electra Steam (electric boilers)

## 2. Boiler Accessories and supplementary equipment:

- BFS Industries
  - Packaged Boiler feed Systems
  - Low Profile Condensate Systems
  - Oil Pumps and heater Sets
  - Packaged Deaerating Systems
  - Fuel Oil Day Tanks
- Penn Separator Corporation
  - Blowdown Separators
  - Blowdown Accessories
  - Flash Separators
  - Inline Separators
  - Exhaust Silencers
  - Heat Recovery
- Cain Industries
  - Heat Recovery Systems for boilers
- Marshall Engineered Products
  - Steam Specialties (steam traps, strainers, vacuum breakers)
  - Heating Pumps, Steam (condensate pumps, vacuum pumps, boiler feed, non-

electric pumps, turbine boiler feed)

- Centrifugal Pumps (closed coupled, in-line, base mounted, circulator, double volute pumps)
- Hydronic Specialties
- Simplex, Inc.
  - Day Tank Systems
  - Pump Sets
  - Fueling Systems
  - Level Control, Electronics
  - Pumps
- Skidmore
  - Condensate Systems
  - Boiler Feed Systems
  - Vacuum Systems
  - Level Control, Electronics
  - Pumps
- Van-Packer Corporation
  - Boiler/Generators Exhaust Systems
- Weishaupt
  - Boiler Burners

## 3. Water Heaters:

- Reco USA
  - ASME Tanks
  - Storage Heaters
  - Semi-instantaneous Heaters
  - Instantaneous Heaters
  - Force Draft Gas/Oil Heaters
  - Unfired Steam Generators

- Light Commercial Water Heaters
- Finned Tube Water Heaters
- Electric Water Heaters

## 4. Water Softeners:

- Water King
  - Softeners
  - Brine Systems
  - Mineral Tanks
  - Reverse Osmosis

## 5. Heat Exchangers:

- Alfa-Laval
- Diversified Heat Transfer

## 6. Pumps:

- Marshall Engineered Products
- Skidmore
- Viking
- Roth
